

PETER O'BRIEN

*Office * Investments * Asset Management*
Grubb & Ellis|Idaho Commercial Group

CAREER SUMMARY

Peter is a commercial real estate professional with over 20 years of well-rounded experience within the many facets of the real estate industry. This experience has been gained primarily in commercial brokerage and management of commercial office and industrial properties. Assignments have ranged from numerous user representations for lease, purchase and build-to-suit and have included the disposition of property through the implementation of leasing programs for suburban Class A and B office buildings. Clients have ranged from the small local firms to national credit tenants. Peter is also a part of the TICC Management Team providing asset management services for 19 properties totaling over 1 million square feet of office and retail property.

EXPERIENCE

- DBSI Group of Companies – Boise, ID

Northwest Regional Leasing Manager

Prior to joining Grubb & Ellis|Idaho Commercial Group Peter was with DBSI and was responsible for marketing/leasing investor owned office and retail properties in the Washington, Oregon, Utah and Colorado areas which totaled approximately 32 buildings in 14 locations representing over 1,000,000 square feet of building area. Peter also managed listing brokers and regularly interfaced with third party property managers, architects, contractors and attorneys, as well as the brokerage community at large.

- Lee & Associates – Pleasanton, CA

Broker – Principal

At Lee and Associates, Peter lead the office team for over 9 years primarily in user representation assignments which ranged from office facility relocation to building purchase, land acquisition for build-to-suit and the disposition of surplus real estate.

EDUCATION

- St. Mary's College, California – Bachelor's of Science, Business Administration and Economics

PROFESSIONAL AFFILIATIONS

- Licensed real estate Broker in the states of California and Idaho
