

STEVE RUSSELL

Investment Specialist

Private Capital Markets Group

Grubb & Ellis|Idaho Commercial Group

CAREER SUMMARY

After graduating from the University of California – Davis with a degree in Managerial Economics and minor in Law & Society, Steve joined his third generation family business of warehousing, distribution and logistics, which was founded in Los Angeles and operated throughout the West Coast. After growing within the multi-location company from operations to sales and management positions, Steve became Vice President of Operations. The organization divested a majority of its business units and real estate in 1998. Steve then joined Marcus & Millichap, a national investment real estate brokerage firm, specializing in Office and Industrial property sales.

Concentrating in the mid-cities region of Orange County (CA), Steve built his database of property owners, investor buyers and transactional clientele in excess of 1,000 contacts and facilitated sales to become nominated member of the National Office and Industrial Properties Group. In 2002, he accepted a position as Managing Partner with Brit Corporation, a full-service real estate brokerage firm with the continued focus on investment sales and consultation to the firm's landlord leasing clients. In 2005, Steve relocated to the Boise Valley of Idaho with his wife and children. In Idaho, Steve has gained local knowledge and experience in leasing office space and facilitating sales transactions in retail, office and multi-family (apartment) properties. His previous transactional experience also includes Multi-tenant Industrial and Development pad site sales. Steve is a member of both the Investment Group and nation-wide Private Capital Markets Group of Grubb & Ellis Company.
